Salt Lake City, Utah 84114-5801

Dear Mr. Haddock:

This letter is written in response to a telephone call that I received from Lynn Kunzler today. It is written as a clarification to the letter I sent to you on the Promontory rock and gravel pits last week. As I indicated before, we have not used Promontory Point East, S0030056, Promontory Point West, S0030057, or Last Chance-Promontory, S0030059, in Box Elder County for some time now. We do not have any intention of using these pits in the near future. As such, these pits will remain inactive until such a time that we do have a need to have them in operation again. At that time will make application to your office when this time comes.

Thank you,

Gar W. Workman

cc. Kerry Zundel
